High in the mountains in the impenetrable Agape Fortress, General Agape has called the mighty Agape League together to solve a crisis in Suburbiana City! Calling on the super-powered fruits of the spirit available to every follower of Christ, these heroes must face trouble within their own ranks when Ironblade forgets his superhero identity (self-control) and becomes entangled in the pervasive worldly culture. Things worsen when they learn that unless each member continues to exhibit their gifts, the entire group faces the same fate!

- Will the League recover their powers?
- Will the citizens of Suburbiana City be saved?
- Will the source of true power – God’s Word – finally be utilized before time runs out?
